NOTES FOR GUIDANCE

Continued from previous page...

1. General Note: The minor variations process can only be used for variations that could have no adverse impact on the promotion of any of the four licensing objectives. (These are: the prevention of crime and disorder; public safety; the prevention of public nuisance; and the protection of children from harm.)

It cannot be used to:

- extend the period for which the licence has effect;
- vary substantially the premises to which it relates;
- specify, in a premises licence, an individual as the designated premises supervisor;
- add the sale by retail or supply of alcohol as an activity authorised by a licence or certificate;
- authorise the sale by retail or supply of alcohol at any time between 11pm and 7am;
- authorise an increase in the amount of time on any day during which alcohol may be sold by retail or supplied;
- include the alternative licence conditions referred to in section 40(3) of the Licensing Act 2003 in a premises licence.

2. Description of premises

Continued from previous page...

b) **Variations to premises/club layout:** If you are applying for a variation to the layout of your premises, you must include a revised plan. You should be aware that your application is likely to be refused if the proposed variation could:

- increase capacity for drinking on the premises;
- affect access between the public part of the premises and the rest of the premises or the street or public way, e.g. block emergency exits or routes to emergency exits; or
- impede the effective operation of a noise reduction measure.

c) **Revisions, removals and additions of conditions:** The minor variation process may be used to remove conditions which are out of date or invalid and to revise conditions which are unclear (as long as the intention and effect remains the same). It can also be used to add a new condition volunteered by the applicant or mutually agreed between the applicant and a responsible authority, such as the police or the environmental health authority (subject to impact on the licensing objectives).

d) **Variations to opening hours:** Details of any changes to hours when the premises or club is open to the public.

5. Further information: You should use this box to provide any additional evidence to support your claim that the proposed variation is 'minor' and could not have an adverse impact on the promotion of the licensing objectives.

6. Signatures: The application form must be signed.

7. Authorised agent: An applicant's agent (e.g. solicitor) may sign the form on their behalf and, in so doing, will be confirming that they have actual authority to do so.

8. 2nd Applicant: Where there is more than one applicant, both applicants or their respective agents must sign the application form.

9. This is the address which we shall use to correspond with you about this application. This might not be the same as the address of the premises or applicant, but these addresses must also be provided.
