- (i) Grant of exclusive right of burial ("EROB") is for a period of 50 years.
- (ii) The person purchasing the EROB is termed the "Owner" and the Owner will be required to enter into a Deed of Grant. The Deed of Grant sets out the rights and obligations between parties. The Deed of Grant may be assigned under certain conditions set out in the Deed of Grant. The Deed of Grant will normally be inherited by the next of kin.
- (iii) An EROB entitles the owner to be interred in the plot subject to the space being available. It also entitles the owner to apply for the right to erect a memorial on the grave or cremation plot in accordance with these rules and regulations. Ownership of the land remains with the council.
- (iv) The owner has the responsibility to inform the council of any change in contact details.
- (v) Upon expiry, an EROB can be extended for a further period of 50 years on payment of the appropriate fee. The total period beginning with the date of grant cannot exceed 100 years.
- (vi) For Chambers or the Mausoleum the right is granted for 99 years only and there is no right of extension.
- (vii) An EROB may be purchased in advance as set out below.
- (viii) Pre-purchase of graves or cremation plots is limited to residents of Crawley only, but the council, may in its absolute discretion grant an EROB to those who have a strong affiliation with Crawley (for example, where the deceased ~~360 was a significant property of the estate in Crawley~~ lived elsewhere immediately prior to their death).
- (ix) The pre purchase of an EROB will be on the basis that the owner will be allocated the next available sequential space. However, should the layout of plots restrict access to facilitate the subsequent digging of the plot, owners will be offered the next available space when the individual dies and will therefore have the right to be buried in the named cemetery rather than in a specific plot.
- (x) The cost to pre-purchase the EROB will be the fee applicable at time of purchase ~~pluwnerusewhere~~ immediately prior

(iii) Before any interment can take place, the council will require to see the Deed of Grant and written consent of the owner.

If the original Deed of Grant cannot be produced, the owner will be required to provide a form of indemnity.

(iv) A replacement Deed of Grant can be issued on request. Proof of ID is required and a fee is applicable (see current fees and charges).

(i) All graves or cremation plots in the cemetery are only to be excavated by persons appointed by the council. Chambers or Mausoleum niches may only be opened by persons appointed by the council.

(ii) The council reserves the right of access over all plots and the right to temporarily remove any memorial from any plot without notice, in order to facilitate the digging of any adjacent grave or cremation plot for the purposes of interment. The council reserves the right to place excavated spoil on graves adjacent to those that need to be opened for an interment, without notice. The spoil will be removed immediately following the interment and the surrounding area left in a tidy condition.

Where a memorial has to be removed to allow an interment to take place, the Funeral Director or stonemason must make arrangements to ensure that the memorial is completely taken away from the cemetery.
