Brief description of premises (Please see Guidance Note 2) Night Club

This application is made as the Non Standard Timings for New Years Eve for the licensable activities of Live and Recorded Music, Performance of Dance and anything of a similar description are at odds with the rest of the standard timings.

Licensable Activities for Sale of Alcohol and Late-Night Refreshment for New Years Eve end at 0330 hours.

The variation seeks to adjust the timings for this night for all licensable activities so they all end at 0330 hours.

The amendment is not seeking anything beyond the timings present for Wed Sunday throughout the year.

In view of this we do not believe that any additional conditions need be placed on the licence.

We contend that ending the provision of regulated entertainment on this particular night at 0230 hours and yet still being allowed to sell alcohol for another hour is likely be counterproductive in promoting the message of sensible drinking.

If entertainment is still being provided it is less likely that patrons will only drink for the last hour.

Part 4 Operating Schedule

Please tick those parts of the Operating Schedule which would be subject to change if this application to vary were successful.
